

## Senate Bill No. 1816

### CHAPTER 260

An act relating to school employees.

[Approved by Governor August 23, 2004. Filed with  
Secretary of State August 23, 2004.]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1816, Vincent. School employees: termination.

Existing law permits a school district or county superintendent of schools to reduce its number of employees, subject to certain requirements, whenever enrollment drops below certain levels, and requires a school district or county superintendent of schools to give notice to the employee before the 15th of May that his or her services will be terminated at the close of the current school year.

This bill would authorize a county superintendent of schools in a county that meets certain population requirements, for the purpose of making reductions initiated during the 2004–05 school year in the number of county employees because of a reduction in services or elimination of a juvenile camp program, to retain the county employees until the effective date of the closure or reduction in services of that juvenile camp program.

*The people of the State of California do enact as follows:*

SECTION 1. For purposes of making reductions initiated during the 2004–05 school year pursuant to Section 44955 of the Education Code in the number of employees because of a reduction in services or elimination of a juvenile camp program, a county superintendent of schools in a county of the first class may retain those employees until the effective date of the closure or reduction in services of that juvenile camp program.
